QRSTF 2026–27 SPONSORSHIP PACKAGE

65+ Years of Fostering Youth Innovation & STEM Leadership

65+ Years

Legacy of Inspiration

Providing local youth with hands-on platforms for scientific research, engineering, and career exploration since 1960.

Grades 4–12

Inclusive Student Reach

Encouraging curiosity and developing self-confidence across elementary and secondary school students in Hastings & Prince Edward Counties.

100% Volunteer

Registered Charity

Zero funds go toward staff salaries. 100% of sponsorship contributions directly support event operations and student travel awards.

QRSTF 2026–27 SPONSORSHIP PACKAGE

Centennial Secondary School Hosts Fair Date on April 10, 2027

2026–27 Event Timeline

- **March 29, 2027 — Registration Deadline**

  Final date for students in Grades 4–12 to submit their project registrations and safety forms.

- **April 10, 2027 — Fair Exhibition & Judging Day**

  Annual Regional Fair hosted at Centennial Secondary School (Belleville, ON) featuring public display and professional judging.

- **May 2027 — Canada-Wide Science Fair (CWSF)**

  Top regional finalists advance to compete at the national fair in Edmonton against 450 top young scientists.

Venue & National Advancement

- **Host Venue Location**

  Centennial Secondary School (160 Palmer Road, Belleville, ON) provides spacious facilities for project display, judging interviews, and public walkthroughs.

- **Team Quinte Pathway**

  Exceptional local projects earn coveted positions on Team Quinte to represent the region at the national CWSF competition.

- **Mentorship & Career Impact**

  Students engage directly with STEM professionals, academic judges, and industry leaders, building contacts that inspire future careers.

QRSTF 2026–27 SPONSORSHIP PACKAGE
