### Registration Summary

Registration Number: 1

Project Title: \_\_\_\_\_ Grade: \_\_\_\_\_

Proj Category / Proj Division \_\_\_\_\_ (experiment, Case Study, or Innovation)

Exhibitor: \_\_\_\_\_ School: \_\_\_\_\_

### Exhibitor Declaration

The intent of a Science and Technology Fair is to give students a chance to display and share the results of their inquiry into a topic of personal interest. Projects should be planned and completed by the students themselves, with limited support from others. Creativity, keen interest, and true discovery should be at the core of the project. In all science endeavors, safety and ethics are important considerations.

Because our fair and the Canada Wide Science Fair are virtual, there will be no extra charges levied. All entries are free of charge for 2021.

The Algonquin Lakeshore Catholic District School board and the Hastings Prince Edward District school board have paid for all their Quinte Area students to take part.

For students wishing to participate in the Quinte Regional Science and Technology Fair, this form must be completed and signed by the student and parent or guardian. Safety and ethics considerations must be reviewed and approval received before experimenting begins.

The Quinte Regional Science and Technology Fair has produced a number of documents to help guide student's in the completion of safe high quality projects. Both the Handbook for the Quinte Regional Science and Technology Fair and the website <http://www.qrstf.ca/> contain information that students must know and follow.

The Quinte regional Science and Technology Fair retains the right to refuse projects which do not conform to information in the QRSTF Handbook and the QRSTF website.

The following section is to be read and signed by the exhibitor(s).

I/We certify that:

- The preparation of this project is mainly my/our own work.
- I/We have read the rules and regulations and agree to abide by them.

### Parent/Guardian Declaration

The following is to be read and signed by the exhibitor(s) parent(s)/guardian(s).

As a parent/guardian I certify to the best of my knowledge and believe the information contained in this application is correct, and the project is the work of the student. I have read and understand the preceding information and have reviewed the Safety and Ethics questions and the Project Display checklist. I also understand that the material used in the project is the responsibility of the student and that neither the school, the teacher, nor the regional fair can be held responsible for loss, damage, or theft, however caused. I further understand that all exhibits entered must be left on display until the end of the Fair or until directed to removed the display by Fair officials.

If my son/daughter is awarded the honour of having his/her exhibit chosen for presentation at the Canada-Wide Science Fair, I consent to having him/her, and will not hold the Fair responsible for any accident or mishap to the student or the exhibit.

In accordance with the Municipal Freedom of Information and Protection of Privacy Act, I acknowledge that by granting permission for my child to participate in the Quinte Regional Science and Technology Fair, I am also consenting to the use of his/her photograph, name, grade, school and academic work in public displays at QRSTF and CWSF(Canada-Wide Science Fair), on the internet and in the media.

[Yes/No] If you were asked to be part of the Quinte Team that was asked to go to the Canada-wide Science Fair, (Grades 7-12), would you go?
